100% Money back guarantee within your first week of commencing dance.

Payments/Direct Debit Agreement

All 2020 students will be put onto a direct debit payment plan. 20% of the total term fee (or 2 weeks worth of classes) will be charged directly to accounts every fortnight.

DD occurs the Thursday before classes commence. If you join on the off week - the remaining amount will be added on to the following payment.

Paying your account a term upfront puts your account with us in a full term credit, with the 20% deductions bringing your amount back to \$0 on the last day of term. If you fail to pay your account before the Thursday before classes commence in term, your account will be automatically Direct Debited for the fortnight.

Any students wishing to drop classes must give IDC at least 2 weeks notice. Enrolments will roll over term to term.

Late Fee: There is a \$10 late fee for any direct debits that are dishonoured. If found unpaid - all debts will be handed to debt collection with all additional fees being added to the outstanding debt. IDC has the right and will refuse service to any direct debit found to be dishonoured or accounts are outstanding.
